Career Objective

Detail-oriented and motivated Software Tester, strong knowledge of manual testing, test case design, defect tracking, and SDLC/STLC concepts to ensure high-quality software delivery while continuously enhancing my technical and testing skills.

Technical Skills

Programming: SQL, Java, HTML
Databases: MySQL
Manual Testing: Functional Testing, SDLC, STLC, Test Case Design, Bug Reporting
Tools: Jira (X-ray), Bugasura, ChatGPT (For impressive documentations)

Soft Skills

Communication - Problem-solving - Analytical thinking - Teamwork - Adaptability

Education

Bachelor of Computer Application **2022–2025**
C. T. Bora collage, Shirur, Pune CGPA: 8.01

Higher Secondary Certificate **2021–2022**
Maharashtra State Board Percentage: 66.17%

Secondary School Certificate **2019–2020**
Maharashtra State Board Percentage: 85%

Projects

Testing Projects

❖ **E-Commerce shopping web site (Shopping website)**

- Performed **manual functional testing** on core modules such as Registration, Login, Product Search, Cart, and Checkout.
- Designed and executed **test cases and test scenarios** based on requirements to validate business workflows.
- Identified, reported with proper **severity and priority** following the defect life cycle.
- I used **JIRA (X ray)** for project management and issue tracking.

❖ DemoWebShop (E-commerce shopping website)

- Analysed the working of application to understand working flow of application and test scope.
- Created and executed **test cases** for modules including Product Listing, Cart, Checkout, and Order History.
- Conducted **functional and regression testing** to ensure stable application behaviour after changes.
- Reported defects with clear **steps to reproduce, expected vs actual results** and supported retesting.

❖ OrangeHRM (HR management website)

- Performed **manual functional testing** on core HR modules including Login, Employee Management (PIM), Leave Management, and User Roles.
- I have created **Test Plan, Test Scenario, Test case** documentations with proper format which easy to understand.
- Used **Jira (X ray)** for issue tracking and managing the project.

Certification

Master in Manual Testing **Jan 2026**

IT Vedant Education Pvt. Ltd.

Covering: Functional, Non - Functional Testing, Requirement Documents Preparations, Test scenarios and cases, Jira(X Ray), Bugasura, AI Tools for Testing (ChatGPT, Gemini, Bugasura).
